

FIELD SHEET REQUESTS

Field Sheets that depict the areas of contamination at each property are available electronically and can be provided through a File Transfer Protocol (FTP). Submit your request for the Field Sheets to Greg Bach at bach.greg@epa.gov. Once the request is received, Mr. Bach will provide a link to the Field Sheet. Please note the link will be valid for 30 days. If the field sheets are not downloaded within 30 days of receipt of the link, you will be required to request access again.
